

A Day of Croquet at Messiah Village

Saturday, April 24, 2010

Get in on the area's newest tournament experience! Messiah Village is hosting a USCA sanctioned 9-wicket croquet tournament with 2 divisions, all-comers and pros. **Promote your business to more than 200 tournament players and hundreds of potential spectators.** In addition to significant cash prizes and hospitality, we want to offer the ultimate tournament experience, complete with outstanding door prizes! This event will attract men, women and children of all ages—including college students!

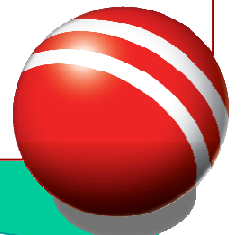

Please review the following list of desired items and consider joining in the fun! We will promote your business by listing your name in game-day programs and on the tourney website, and by making overhead announcements throughout the tourney. If your donation exceeds \$100 in value, we'll put your logo on the tourney website- www.WicketontheGreen.org!
